OFFICER REPORTS

CHAIR – Sara K

Hello area I was able to get the mail and it appears that the CAR report is included. In regards to Donna's request in addressing her 10th concept concern, I apologize for her feeling disrespected. As an area I will ask that you wait to be called on before speaking so that the person who has the floor has time to finish what they are saying. I am hoping that will alleviate and help this grievance.

In Loving Service,
Sara K

VICE CHAIR – Kristen

Hello Family,

At December cycle I was named in a statement from Donna to address a 10th concept concern. The statement suggested that my actions & / or conduct was inappropriate. It did not state how or in what circumstances I have done so.

Therefore I would like to state that I have read the 10th concept. If anything I have said or done has caused concern for this service body or any individual I apologize. I am eternally grateful for This fellowship. I would never knowingly do anything to jeopardize the integrity of this fellowship. I strive to maintain my own integrity and spiritual fitness in all my actions.

I serve at the pleasure of this body and do so with a grateful and humble heart.

On that topic I have nothing more to say at this time.

As there is no elected individual serving as Activities chair at this time, I will be submitting an additional report for activities.

In loving service,

Kristen

SECRETARY – Cassie F

Hello Family,

I want to thank you for allowing me to be of service to our area for the last year. I have learned so much from each and every one of you. As my family has recently grown and my babies need me now more than ever, I am now helping with the Secretary position until we can fill it. Please put your feelers out for someone that would be a good candidate. I appreciate your help.

Thank you again and again,

Cassie F

ACTIVITIES – Kristen

Hello family,

Activities subcommittee is growing and doing great things. Although we do not yet have a chair for our committee we are able to collaborate and get things accomplished.

With the cooperation of the Rivers Edge Area we were able to make a New Year's function happen. Each planning meeting, banner making party, and set up meeting a separate group of addicts from our Area came to help out. On the day of the event we had 5 separate car loads of people come to help out.

There were over 50 addicts in attendance despite the early flood warnings that occurred in a Oconto. All in all the Activities committee made a profit of \$241.75. This is after the reserve was returned and expenses were paid.

There is now an Activities subcommittee. Our first meeting will be held on Tuesday 1/14/20 at 600 pm. At that time we will discuss what portion of our profits will be dispersed to Rivers Edge for their efforts.

Thank you everyone for all your efforts.

In loving service,

Kristen O

SPECIAL BUSINESS

Larry – Web site that we have is not user friendly and so over a lengthy period of time it has not been functional. Discussion was held with Bruce who is going to be doing some research about some new web page format to be more user friendly. The one we have is free that is why we've been sticking with it. Our web page is out of date.

KO – she has met up with Bruce many times to talk about the website – she used to design websites. It is a really good idea to work on new page. She is also working with a web designer for our region to link something back to our website. Maybe we can get an addict to donate time to get involved. Bruce and KO will gather information and get back to all.

Kassy – regional meeting list is wrong for the Monday noon and Friday noon.

Regional meeting list reflecting the area meeting list. Creating a new format for our area.

KO to email someone to get the regional site updated for the Darjune meeting corrected. It should read at the cathedral book store.

Kassy – we talked about pass the meeting list to see if anything had changed on it. Mark up with changed, corrections, etc.

Larry – spoke with Cassie in regards to printing the new lists with a hint of color on the front page. Cassie with check to see if our printer has color or not and will follow up with Larry.
